The surplus of the Sri Chennakesava swami temple being small, it is a point for consideration whether the Vyasa Puja allowance can be met out of it. The inam lands of the Sri Anjaneya temple are stated to be in the enjoyment of the Archaks. So, it has no surplus.

Information as to the total cost per annum of the Vyasa Puja is not definitely ascertainable from the Ver: records. Memo

1. The Tysalatta Vasuli Jamakharch accounts of the Belur Taluk from 1853-54 to 1861-2 were looked into. In these accounts only a lumpsum expenditure of Rs 609 per annum is shown towards the feeding expenses of travellers &c. Hence it is not possible to say whether the expenditure incurred on account of Vyasapuja service by giving 5 seers of rice to the representative of each of the 5 Mutts, was spent from the Anna Chatram funds.

2. But from the accounts of the period between 1799-1800 to 1819-20 the following information is gathered.

(a) In the year 1802-3, an expenditure of one Varaha 5 fanams and 6 Veesas was incurred for the Vyasa puja service on 15th day of Vyshaka and Karthika thudiba of the said year.

(b) In 1805-6 an amount of 3 Hydari Varahas 4 fanams and 6 Veesas has been spent for the said service conducted by 3 Vaishnava,

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

1 Smartha and 1 Ramanuja Maths, on 3 occasions in the year, and this was continued upto to 1819-20 with an expenditure of 4 Varahas one fanam and 9 Vesas and again from 1831-32 to 1843-4 with 5 Varahas 3 fanams and 6 Vesas

(2) The accounts for the years 1839-40 and 1840-41, contain further details (viz) (1) that one Shelvambhatta represented the Smartha Math, (2) Peraiah Raghavendrachari, the Sethsadi Math, (3) Peraiah Raghavendrachari, the Sumatheendra Math, (4) ~~Vyasachari~~ Vasudevachari, the Vyasaraya Math and (5) Thirumalachari, the Ramanuja chari Math.

(3) From the accounts of the year 1844-5; it is further seen that the expenditure of 13 Varahas and 2 fanams spent in connection with the Vyasapuja and certain other services such as worship of Ganesha, Upakarma and presentation of Dasuhari to Pattis and Rajahs on the 12th day of Janmabandi, was ordered to be discontinued from the date of receipt of the Chief Commissioners order dated the 23rd September 1844, issued as for instructions of the Court of Directors and the Government of India.

4. From the account of the year 1807-8, it is observed that an expenditure of 10 Varahas and odd, was incurred towards the fitting up of the Behar Math building for the use of Annachatram to be established and that the annachatram was actually started in the same year, with an expenditure of 196 old Varahas as per Huzur orders of 12th day of Phalguna Bahula of the year Prabhava (23-3-1808) and 10th day of Jeshta Shudha of the year Vibhava (26-5-1808).

5. A few years after the establishment of the annachatram at Behar in the account of 1812-13, mention is made about the grant of 5 seers of rice and Lavanganu to Jagatthurthachari son of Perum

G.R.S. III—3]

Perma Prasannachari, 3½ shares to Shipatti Srinivasachari and 2 shares to one Kudli Venkatāramanachari as per Huzur orders of 7th day of Karthika Shudha, 4th day of Bhadrapada Shudha and 5th day of Karthika Shudha of the year Angirasa (1812-13).

6. From the above facts, it will be seen that the items of expenditure on Vyasapuja service that commenced in the year 1802-3 and ended in 1843-4 and the receipts from the Belur Annachatram funds from 1807-8 to 1866-2, seem to be two different items unconnected with each other. The persons Subbanabhatta, Perantha Raghavendra Chari of the Uttradi Matt, Raghavendra Chari of the Srimatthendra Matt, Vasudevachari of Vyasaraya Matt, Thirumalachari of the Ramanuja Chari Matt, who were employed in connection with the Vyasapuja service, seem also to be quite different from Jayatirthachari & Srinivasachari

W D 84—GPB—60,000—22-7-16.

Kudli Venkatäramanachari and others who were receiving rice from the Annachattram.

7. Besides one of the orders of 1812, the text of which is noted in the Kuzhi Rozanama or Diary as well as in the Appalattu account of that year, does not mention the condition or object for which the issue of rice was ordered to the said persons.

Under these circumstances, before passing final orders on the subject under disposal, an enquiry as to the family or class the present applicants belong, seems necessary to decide the revival of Vyasakuje service or the grants of rice from Annachattram funds.

Sir,

With reference to your official memorandum No. 356/Muz. 36-13-2 and 3346/Muz. 36-13 dated the 15th August 1913 and 1st June 1914 respectively forwarding for report the petitions received from Katte Puranik Raghunatha Char and Sindhuvally Gururaya Char of Belur praying for the continuance to them of the grant of the allowance of rice with condiments which they were receiving till 1902 for conducting Vyasapuja at the place, I have the honor to invite reference to the correspondence ending with your docket No. 4438 dated 2nd April 1906 and to state in reply thereto that the Amildar of the Belur Taluk in his No. 10 dated 3rd August 1918 reports that the Vyasapuja is being conducted regularly and it is now attended to by the representatives of the several matts as detailed in the margin.

2. From the file of vernacular correspondence bearing on the subject, it seems that an allowance of

1. Sri Vyasaraj Matt	Subramanya Char.
2. Uttaradhi Matt.	Katte Raja Char.
3. Raghavendraswamy Matt.	Sindhuvally Gururaya Char died and Sindhuvally Subbanna Char Officiating.
4. Sringeri Matt.	Sampadi Subba Bhatta.
5. Parakalaswamy Matt.	Puranik Kesava Char.

rice with condiments was granted to the Matts from 1833 from the Belur Annachatram Funds on each of the occasions of conducting the Vyasapuja on Vyasapurnami days of the months of Ashada, Kartika and Vaishaka every year, the cost being debited to the ordinary expenditure of feeding the travellers at the Chatram up to 1903 when it was stopped in pursuance of the then Deputy Commissioner Mr Dalavai Devaraj Urs' order No. 551 dated 1st May 1905 as it was apprehended that the allowance was unauthorised and probably also that the town of Belur had just then been

been evacuated on account of plague.

3. As it is since ascertained that the Vyasapuja service is being conducted as usual and that the Matts enjoyed the allowance for a long time in return for a religious service rendered by them, I am of opinion that in accordance with the late Chief Commissioner's standing order No. 5 dated 3rd April 1864 (copy enclosed) the rice allowance as originally paid may be continued to be paid to the parties. As the funds of the Belur Annachatram are not sufficient to feed the travellers throughout the year, I would recommend the charge being debited to the funds of the Chennakesava and Anjeneya temples.

Vide Page No-9 of the 2nd file

4. As regards the arrears of the allowance due, it is reported that there has been a savings only of ₹ 168-1-1 from May 1905 to August 1918 out of the sanctioned allotment of the Belur Annachatram while the allowance due to the Matts amount this sum as calculated at the prevailing market rates of foo grains. As there are no sufficient funds to meet this expenditure, I think that the amount of ₹ 168-1-1 now available may be distributed among the several grantees to settle the account of previous year's arrears. If approved, a bill will be obtained from the Amildar and submitted to Government for sanction.

5. The petitions received with the references and correspondence ending with Belur Amildar's reports No. 8 and 55 dated 15th July 1887 and 2nd September 1918 respectively are forwarded herewith for reference.

I have the honor to be,

Sir.

Your most obedient servant,

Deputy Commissioner,

Sir,

[illegible] for grant of rice allowance [illegible] Below, I have the honour to state as follows:—

2. In reply to the query of Deputy Commissioner, the Sub Division Officer reports, in his No. R.O.C. 47-78 dated the 28th December 1978 that the old references of 1814, 1915, 1955 and 1983 in the file clearly show that the grant of 5 seers of rice with necessary Lavajas to each of the five mutts for the Vyasarajas is an authorized grant from the Chattram funds and that it was ordered to be stopped in 1963, by the then Deputy Commissioner, Mr. D. Devaraja Urs, evidently without reference to previous records, and recommends the renewal of the grant from the Chattram fund. I agree with the Sub Division Officer in his recommendation. If this is accepted the following charges in the Chattra, the present provision for which is Rs.42-7-0 per month or Rs.501-4-0 per annum, will have to be cut short by the cost of 75 seers of rice with carriage per year.

3. The question is reported to arise in procuring the services of the Hindu and certain other Brahmin from the Vishnusamudra Tank etc. Below by the representation of the following five mutts:

I think that the Deputy Commissioner's view in the circumstances, may be accepted.

The other Matts have not sent any reply in the matter. The Sub Division Officer states that the silence of the other Matts in the matter shows their unwillingness to meet the charges of the service and opines that the question of reviving the function might be taken up when the Matts offer to pay contribution towards it or when the financial condition of the temple improves."

I am to request information on the points raised in the letter:

(i) How was the charge borne from the funds of the Government Chattram at Belur formerly ? and

(ii) what is the item under which the expenditure incurred is debitable and if not to permit of the restoration of the payment in question from the Chattram funds ?

2. I am to request that a copy of the scale of income and expenditure in the Anna Chattram at Belur now in force may be kindly sent to this office within two months together with details of income and expenditure for the last five years in the institution.

Sir,

With reference to your letter No.280/M.F.36-13-20 dated the 20th August 1923 calling for certain additional information regarding the revival of grant of rice with condiments for Vyasapuja near Vishnusamudra at Belur, I have the honor to forward herewith copy of letter No.H.C.12-23 dated the 8th instant received from the Deputy Commissioner, Hassan District, furnishing the information called for and recommending that the grant may be allowed, as the chattram at Belur can well bear the charge of Rs.60/- per annum.

2. In this connection, I beg to state that on the previous Deputy Commissioner's recommendation to a similar effect in August (Sl.18) 1922, Government in their letter No.1471/Muz.36-13-18 dated 12th October 1922 have observed that on account of the changed conditions the anna chattram which is meant for bona-fide travellers, cannot bear this charge. The Deputy Commissioner was asked whether the matts could make a contribution; he replied in his No.H.C.12-22 dated 16th July 1923 that they did not seem willing and suggested that the question of reviving the function might be taken up when the matts offer to contribute or the financial condition of the temple improves. I am of opinion that the Vyasapuja santarpane having fallen into disuse for over twenty years, there is no particular need to revive it from the funds of the chattram and that the encouragement of the study of the vedas with such available funds as is done at present would be more useful.

Letter No.12-22 dated 8th May 1924 from the Deputy Commissioner Hassan District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.379/22-23 dated 27th August 1923 forwaring copy of letter No.280/M.F.36-13-20 dated the 20th ---- August 1923 from the Secretary to Government Revenue Department calling for certain additional information re: the revival of grant of rice - with condiments for Vyasapuja near Vishnusamudra at Belur from the --- Annachattram funds, I have the honor to state that the Amildar Belur Taluk reports in his No.33 dated 31st October 1923 that rice with ---- condiments was being given regularly till the year 1903 when the then Deputy Commissioner, D. Devaraj Urs ordered the discontinuance of the grant on the ground that Chuttram resources should more appropriately be utilized for the use of travellers who come as piligrims.

2. The expenditure of the Annachattram has increaded as four --- Brahmin students studying in the Sanskrit Patasala at Belur are being fed daily as per G.O.No.2441-2/M.F.56-92 dated 2nd June 1903; and -- besides one Gururaya Charya of Belur is being given 30 seers of rice a month. Owing to the dearness of provision also the expenditure has increased.

3. While I had been to Belur I studied the question in all its aspects. Three Vyasapujas have to be performed in year by each of the 5 Matts, the scale of expenditure for each of the Vyasapujas being 5 seers of rice with proportionate quantity of condiment their value -- according to present rate being Rs.4/-. Thus the total expenditure for the three vyasapujas of the Matts amounts to Rs.60/- per annum. But I was given to understand that even rice without condiments would suffice. The expenditure would thus be much less and it can be easily met out of the funds of the Anna chattram if proper scrutiny is exercised in all the items of expenditure incurred in the chattram. I have instructed the Amildar to take needful steps in the matter. The
